A Message from the Pastor

There's no place like home! I feel so blest to have been able to go with a group of 35 people to visit some of the holy sites of France. It was a wonderful time. As I always tell people, "On this trip, we will pray a lot, see a lot of holy places and have a blast!" It is especially exciting for

me to bring travelers to places they have never seen. Some of the highlights for me were to be able to offer Masses at the convent of Saint Terese of Lisieux (the Little Flower); the Cathedral of Rouen, for the day of the birth of the Blessed Virgin Mary; The Cathedral at Chartres, famous for its stained-glass windows; the Chapel of the Miraculous Medal; and Notre Dame Cathedral in Paris! I also offered prayers at Omaha Beach, one of five beaches invaded by the Allies at Normandy to help liberate France from the Nazis and begin to turn the tide in World War II. We prayed at the shrines of Saint Vincent de Paul and Saint Catherine of Labouré in Paris. We also had the opportunity to visit famous museums, the gardens at Giverny which was the inspiration for so many of Monet's great artworks. There was also some wine-tasting involved, too! Check the parish Facebook page for many pictures and more information. If you aren't on Facebook, go to it via our parish website.

Among our many ministries is the opportunity for our young people to serve at Mass. This is a simple and beautiful way for them to pray and be of assistance to the priests. There are several benefits to serving: They enrich their relationship with God and their understanding of the Mass; they learn how to conduct themselves in a public setting; they take on a responsibility that requires accountability. I urge them to remember to show up, pray and pay attention. If you have a young person, fourth grade through eighth, and even into high school, who could grow by being an altar server, please speak with Father John or Deacon Greg.

While we're on the topic of young people, I invite our high school students to join the GodSend Teen Ministry. Saint George has teamed up with Saint Stephen and Saint Elizabeth Seton. This group is active in prayer, service and socializing. You may have seen the GodSend band lead us in song occasionally. It is a great opportunity to meet new people and develop new friendships. For more information about GodSend Teen Ministry, speak to Ms. Rojas and she can fill you in

Last week's bulletin included testimonials to the value of FORMED., an online resource for information on our Catholic Faith. It is free and available to all. Go to www.formed.org/signup. Be sure to type in 60477 for the zip code. Right now, they are featuring a movie about Chicago's own Saint Mother Cabrini. I urge you to check it out!

Heavenly Father, we pray for...

Holy Family Chapel

School is in session. Stop in for a visit to Holy Family Chapel. Seek meaning and new insights about the challenges of everyday life by visiting Jesus for guidance. Your visit offers the opportunity to seek insight from Jesus in the Eucharist. You will receive the grace and love radiating from Jesus present in the Sacred Host. It will not take long before you feel peace and love while in front of Jesus. Even if you are not certain how to pray, just know that you are before Jesus who knows you inside-out. You might even decide to join fellow parishioners as a frequent visitor, or by taking a regular hour each week. Find an hour where you can get away from the fast pace of life to seek insight from Our Lord in the Blessed Sacrament

Holy Family Chapel is open thirteen hours per day on Monday through Friday from 11:00 AM to midnight to provide that opportunity. Use this link to get more information and to register for an hour that works for you: <http://stgeorge60477.org/eucharistic-adoration/>.

Choose "Click Here To Sign Up" below the monstrance image, press "Weekly Commitment," select the hour you prefer, and enter the requested contact information. Press "Signup" to finish registering. If you do not have electronic access, please call Bill Beckman at 708-429-2762 to register your hour. New adorers are needed on Monday 7:00 PM and Tuesday 3:00 PM. While there are many hours to consider that might fit your schedule, if possible, see if one of the following hours might work as your regular hour: Monday: Noon, 1:00 PM, 2:00 PM, 7:00 PM; Tuesday: 1:00 PM, 3:00 PM; Wednesday: Noon, 1:00 PM; Friday: Noon, 1:00 PM, 2:00 PM. If making a regular hour is difficult because your schedule changes, please consider becoming a substitute adorer by pressing "Become a Sub" (under "Weekly Commitment").

Saint George Altar Server Ministry Training

This fall, we will be offering Altar Server Training for students in 4th grade and up. This is a fantastic opportunity for our children to serve their parish community. It is also a great way to learn more about the Mass and participate in a unique way. We become disciples of Christ when we follow His request "feed my sheep." That is what service is all about.

Students must be Catholic and able to receive Eucharist to serve in this ministry

Training Dates:

- Tuesday, September 29 and Thursday, October 1 from 4:00 PM to 5:00 PM
- Tuesday, October 6 and Thursday, October 8 from 4:00 PM to 5:00 PM.
- Saturday, October 9 and Saturday, October 10 from 12:00 PM to 1:00 PM.

This usually takes about an hour and students are expected to attend at least THREE SESSIONS.

We now have online registration for trained altar servers to access and put in their available times and dates each month. When your child has completed the training and feels comfortable, we will have him/her paired up with experienced servers for a time. Servers who feel they would like further training are welcome to join us.

Please return this form to the parish office or place it in the Collection Bins at the entrance of the Church on Sunday addressed to the attention of Deacon Greg Bartos or return this via email to gbartos@stgeorge60477.org

The Church does not exist for herself, but to lead every person to an encounter with the Lord. It is therefore not enough to ask whether an activity is well organized, well attended, or has been running for many years. We must ask whether it truly leads people to Christ and brings the Gospel into contact with the concrete realities of people's lives.

26TH SUNDAY IN ORDINARY TIME

ARCHDIOCESE OF CHICAGO

Office of the Archbishop

Dear Parishioners and Catholic School Families,

As our children head back to the classrooms, I am writing to you about a significant opportunity to find additional funds to both public and nonpublic schools in our state. Congress passed a new federal tax credit program for 2027 that could generate hundreds of millions of additional dollars for both public and nonpublic school students in Illinois. For Illinois to participate in the program, Governor Pritzker must opt in.

As an advocate not only for Catholic education, but also for the education of all Illinois children, I ask that you contact the Governor to ask him say "yes" to this program. It will give Illinois taxpayers the choice to contribute to programs that will help all children in our state and receive a federal tax credit for their donation. These funds are truly needed. They could help Catholic school families cover tuition, after-school programming, supplies, technology or other much needed items. Donations could also be directed to support programming and other needs for public school students and their families. It could benefit just about every child and every school in our state.

The program allows taxpayers a 100% federal tax credit for contributions up to \$1,700. Any family earning up to 300% of the regional median income may qualify for scholarship assistance. This means more than 90% of all K-12 students would be eligible for support in Illinois.

If Governor Pritzker does not opt in, you can still donate to programs such as this, but to receive the tax credit, you will need to donate to a school program in another state. Recent polling suggests that in one year, as much as \$2 billion could be generated to boost education programming in our state. According to that same poll, if Illinois does not opt in, Illinois taxpayers may send as much as \$1 billion for educational services in other states.

According to our polling data, Illinois taxpayers will contribute to the program regardless of whether Illinois opts in or not. Shouldn't Illinois dollars benefit Illinois school children?

Please visit <https://www.ilcatholic.org/federal-scholarship-tax-credit-program/> for more information and to learn how to send a message to the Governor and ask him to opt-in to the Federal Scholarship Tax Credit. You can also call the Governor's office directly at 217.782.6830.

Sincerely yours in Christ

Blase J. Cupich
Archbishop of Chicago

A federal tax credit scholarship program for K-12 Education.

- Benefits All types of schools. Can add up to almost 52 billion in new resources to public and private schools. It doesn't take from existing funding.
- Supported by Illinoisans. Nearly 7 in 15 Illinoisans support opting into this program.
- Keeps Illinois dollars here. If Illinois doesn't opt in, it has been reported that people will donate up to \$1 billion to schools in other states to receive the tax credit.
- Opportunity for public and private school families to work together for a common goal - to support Illinois kids.

**It's a tax credit. It's voluntary.
It's popular. It works.**

How It Works

- Taxpayer contributes to a scholarship granting organization which uses the funds to support scholarships for K-12 students.
- Taxpayer receives tax credit for their donation.

Who Benefits

- Students from ALL backgrounds
- Kids in public, private and faith-based schools.

Call Governor Pritzker today!
Tell him: OPT in for Illinois KIDS!

TMIY - Apostles of the New Springtime

Week 2: The Earliest Church

Saturday, October 3 - 6:30 AM to 8:00 AM

This week we travel back to the days immediately following Christ's Resurrection to discover what made the earliest Church so dynamic. The first Christians devoted themselves to the apostles' teaching, fellowship, prayer, and the breaking of the bread.

Their faith was not private, comfortable, or passive. They preached boldly, prayed intensely, suffered joyfully, practiced sacrificial generosity, and welcomed people from every part of society into the family of God.

This Session Contains:

- The Apostles' Teaching
- Christian Fellowship and Communion
- The Breaking of the Bread
- Intense and Communal Prayer
- Bold Proclamation of the Gospel
- Joyful Suffering for Christ
- Sacrificial Generosity

Hot coffee and a hearty breakfast are available beginning at 6:30 AM. Our video program begins at 7:00, followed by group discussions, and we adjourn at 8:00 AM.

That Man Is You! meets on Saturday mornings for breakfast in O'Connell Hall at Saint George School. To learn more about TMIY, contact Gary at (630) 886-4526 or pghendzell@gmail.com

Flossmoor Planned Parenthood Vigil

on these days for the victims of abortion. Please join us during 40 Days for Life for a vigil at Planned Parenthood in Flossmoor from 10:00 AM to 11:00 AM Thursdays from October 1 through October 29. These are known abortion days so St. George Pro-Life is encouraging on-site prayer on these days for the victims of abortion. Saint George will focus on 10:00 AM to 11:00 AM to pray on site at the Planned Parenthood abortion facility in Flossmoor IL at 19831 S. Governors Highway. This vigil coincides with the national call for 40 days of prayer and fasting for an end to abortion running from September 23 through November 1 at over 600 locations in 30 nations. During these 40 days, please make an extra effort to pray and fast for the end of abortion in our nation (e.g. make extra visits to Holy Family Chapel and/or attend weekday Mass). Public parking is available 1/2 block north of the Planned Parenthood site on 198th St. which goes west from Governors Hwy, or along the alley that runs east from Governor's Hwy behind the Vollmer Road strip mall (parking spots facing Planned Parenthood). For more information, call Bill Beckman at 708-429-2762.

Plant Trees

Trees play a very important role in caring for creation.

- Trees protect our drinking water by filtering pollutants, recharging ground water, and preventing erosion that keeps water cleaner and easier to treat.
- Trees significantly help reduce flooding by absorbing water and improving how soil handles heavy rain which contributes to stormwater management.
- Trees purify our air by absorbing harmful pollutants while releasing fresh oxygen.
- They also regulate climate, acting as carbon sinks to help reduce climate instability.
- Trees provide food and habitat for animals.

If all that weren't enough, studies show they even improve our mental health, increase soil fertility and property values, while providing shade that can also significantly reduce your energy bills. When selecting trees, choose native types to support local wildlife. Spring and fall can be good times to plant. For more information: www.arborday.org/trees.

Saint Vincent de Paul Society

Twenty-Sixth Sunday in Ordinary Time

On September 27, the Church celebrates the feast of Saint Vincent de Paul, who knew that "God had sent him to bring good news to the poor." Together with your gifts, the members of the Society of St. Vincent de Paul continue his work and mission in our parish.

This week, please say a special prayer each day for the poor and forgotten in our parish. By your gift to the Society of Saint Vincent de Paul you will reveal the love of the "Good Shepherd" to your suffering brothers and sisters. Know that the members of the Society of Saint Vincent de Paul bring your gift directly to the poor and suffering in our parish. As you give your gift to the poor through the Society of Saint Vincent de Paul, in your heart you also will find the good news of God's love. The Saint Vincent de Paul poor boxes are located inside the inner church doors at all exits.

If your family or someone close to you is in need, please contact us at 708-532-2243 Ext. 515. A representative will return your call as soon as possible to arrange a confidential conversation. Confidentiality and compassion are the cornerstones of our ministry.

Women's Bean Project - SERRV Partners since 1997 United States

Your purchase helps at-risk women in Denver break the cycle of chronic poverty and unemployment

Since 1997, SERRV International has partnered with Women's Bean Project, providing a long-term trading partnership and interest-free advance payment for our orders. Through sales of their products, at-risk women receive skills training and income, replacing the effects of demoralizing poverty with self-confidence and hope. These sales also support small, local farmers, from whom ingredients are sourced. Preparing, packaging, and selling bean soup mixes, baking mixes, and other dry food products, Women's Bean Project provides a safe and accepting work environment where impoverished women can learn the skills.

Wisdom from the Pews

Meet Linda Goedke

I have been a member of Saint George since 2020. For the past three years I have been volunteering as a catechists assistant in the CFF program. Prior to that I was a member of Saint Lawrence O'Toole for over thirty years. During that time I served as a lector and was on the school board.

I have four adult children and three grandchildren with another on the way. Professionally, I worked in education for thirty-four years as a teacher and administrator.

In the summer of 1999, my mother suddenly and unexpectedly passed away. She had been living with my family since my father passed away three years before her.

My youngest daughter was five years old and has become very close to my mother. They spent hours together laughing, telling stories, drawing pictures and taking naps.

After my mother died, we were all hurting, but my young daughter was truly devastated. She worried that her Nana was alone. She wondered if my mother was all right. I would find my daughter lying on my mom's bed looking very sad. My husband and I were discussing seeking professional help.

One early morning about six weeks after my mom's death, I was standing at the sink doing dishes. MY daughter came downstairs and sat at a kitchen chair smiling. She said, "Mom I feel much better. We don't have to worry anymore. Nana is all right."

I could see the change in her and asked her what she meant. She told me that a man has visited her last night. He sat by her bed and told her that Nana was with him. He would take care of her. She wasn't alone and would be all right.

At first I didn't know how to respond. After a few seconds, I asked my daughter what he looked like. She said had white hair and wore a purple robe.

After that day, my daughter was much better. She started to laugh and play again. The light was back in her beautiful, blue eyes. I am not sure that this was truly a miracle, but to my family it was.
